Amber.Stout@warrenaverett.com

Amber Stout is a Member in the firm's Client Accounting and Advisory Services Division. She has over nine years of dedicated service in the government contracting industry with expertise in various aspects of the field. Amber's key responsibilities revolve around overseeing day-to-day operations and providing guidance to both her team and clients. One of her notable specializations is in DCAA compliance. Her expertise extends beyond compliance, as she also assists clients in preparation and review of budgets, forecasts, system evaluations, upgrades and financial reviews and monitoring. Amber has also successfully implemented industry-leading software such as Costpoint and QuickBooks, showcasing her proficiency in streamlining financial processes. She holds certifications in Unanet and Deltek, further demonstrating her commitment to staying up to date with the latest tools and technologies. Amber resides in Madison, Alabama, with her husband and three dogs.
