Charles.Bailey@warrenaverett.com

Charles Bailey is a Member in the Audit Division of Warren Averett. He joined the Firm in 2013, bringing with him more than 22 years of public and private accounting experience. Charles provides audit and business consulting services to middle market and public companies. His extensive experience includes assurance services for alternative investments consisting of private equity groups, hedge funds and venture capital firms, and servicing companies in the franchise and hospitality industries. Charles also performs consulting services for multi-concept restaurant groups. He is a problem solver who actively works to help clients build relationships to grow their business and offers clients suggestions on how to build their brand.
