[Chris.Morrow@warrenaverett.com](mailto:Chris.Morrow@warrenaverett.com)

Chris joined Warren Averett in 2009 and serves as the Firm's Chief Information Officer. He has 20 years of experience with technology in various capacities, including software development, systems architecture and management. He is the leader of the Firm's Information Technology Division and oversees all IT functions within the Firm. Prior to joining Warren Averett, Chris worked at Accenture (formerly Andersen Consulting) for almost 10 years in consulting roles serving telecommunications and retail industries and specializing in billing and financial systems. Chris resides in Birmingham with his wife and two children.
