William Dow joined Warren Averett as a Member and Tax Division Leader in 2003. He formerly served as a partner and director of the tax department for an international accounting firm. William has over 30 years of extensive experience in serving companies ranging from Fortune 500 to closely-held enterprises in industries such as financial institutions, energy, manufacturing and technology. He also has extensive experience in mergers and acquisitions, accounting for income taxes, state and local taxes and has provided extensive estate planning and executive income tax services during his career. William resides in Birmingham with his wife and their three children.
