

COMPREHENSIVE FINANCIAL SOLUTIONS TO HELP YOUR HEALTHCARE FACILITY

With Warren Averett, your healthcare facility gets in-depth healthcare accounting knowledge and resources that only a firm like ours can offer. That's because we serve a large number of healthcare facilities and a wide variety of clients throughout the Southeast — and we are equipped to handle clients ranging in size from 20 beds to 1,500 beds.

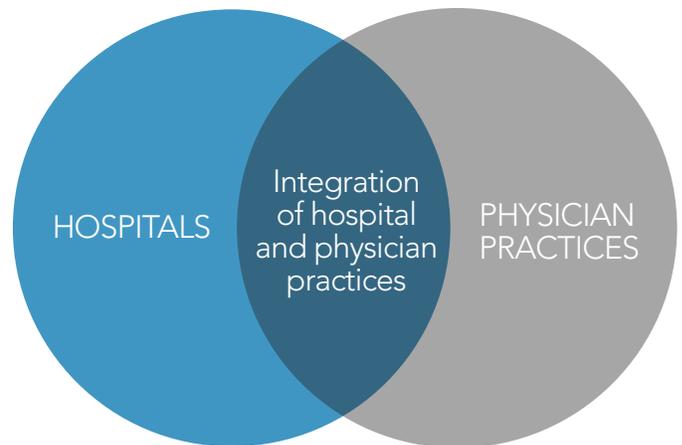

Additionally, our vast success within this industry comes from years of experience. Our dedicated Facilities Group understands healthcare regulatory requirements and other unique challenges of your organization. This group speaks your language and gets to know your business inside and out. As a result, you can lean on us as trusted advisors for you and your board, offering comprehensive solutions for your financial needs.

We serve hospitals and hospital systems ranging in size from 20 beds to

1,500+ beds

“We have used Warren Averett for a number of years and have always been pleased with their Auditing and Cost Reporting Capabilities. The Audit team that we deal with has always been professional, but I also believe that they go the extra mile to make you feel comfortable before, during and after the audit. They are always available for questions or problems throughout the year.”

– CFO, Rural Hospital (less than 50 beds)

“As the CFO, I was looking for regional strength, attention and expertise for our specific multi-faceted company. We chose Warren Averett because of the expertise and accessibility of their partners, and they were the best value.”
