[Justin.Headley@warrenaverett.com](mailto:Justin.Headley@warrenaverett.com)

Justin Headley joined Warren Averett in 2016 and is a Manager in the Firm's Security, Risk and Controls Group. He has more than nine years of combined public accounting and industry experience. Justin has extensive knowledge in assisting our clients with Technology Control Reviews, Cyber Security concerns, Technology Risk Assessments and SSAE 18, SOC 1 and SOC 2 Reports. In conjunction with the AICPA, he recently acquired the newly released SOC for Cyber Security certificate, which assists clients in an examination of the maturity of their Cyber Security Risk Management Program.

Justin is also a published author and speaker on a variety of technology and cyber security topics. Justin resides in Birmingham with his wife and three children.
