Kevin Wang serves as Warren Averett's Director of Innovation. He joined the firm in 2010 and has more than 15 years of accounting experience. Kevin's responsibilities are to identify and propose areas where technology, organizational structure and day-to-day practices can be combined and refined to drive Warren Averett towards their business goals. Kevin previously worked in the Audit Division of the Fort Walton Beach office, where his responsibilities included the review of entry and intermediate work and supervision of attest engagements. He specialized in single-audit engagements and focused the majority of his time on nonprofit and governmental entities.
