

ACCOUNTING EXPERTISE TO ASSIST WITH YOUR LEGAL CLAIMS

Warren Averett's Forensic & Litigation Support Team has considerable experience offering litigation support services. Our experienced team of forensic accountants and fraud investigators can work side-by-side with attorneys to map out the most effective litigation strategy and work through all phases of the dispute resolution process, from discovery through a trial or hearing.

Our expert team, including Certified Fraud Examiners (CFEs) and Members with the Accredited Business Valuation (ABV) designation, offer skillful assistance in addressing and presenting complex business, financial and accounting issues. From research and pre-litigation consulting to case strategy, our professionals provide confidential, quality advice and support.

We help to build a solid case for our clients. Specifically, our litigation support team will:

- Conduct financial and accounting investigations to uncover the business realities under dispute.
- Identify key financial and business facts that support or contradict legal arguments.
- Determine which concurrent actions or events caused damages and quantify their monetary effect.
