Michael.Mclachlan@warrenaverett.com

Michael Mclachlan is a Principal in Warren Averett's Consulting Division. He has more than 21 years of public accounting experience. Prior to joining the Firm, Michael's experience focused on healthcare financial accounting, regulatory reporting, transaction services and strategic analysis for hospitals and health systems. Michael has worked five years in the healthcare facilities and hospital industry, 13 years for big four accounting firms and eight years with a regional firm. Currently, Michael is primarily responsible for client relations and leading healthcare financial and reimbursement service projects, including strategy, modeling, cost reporting, appeals, corporate compliance and revenue cycle improvement.
