PAYROLL SERVICES TO SAVE TIME, MONEY AND HASSLE

With Warren Averett payroll services, you can save time, money and the hassles often associated with traditional payroll processing methods. Our Firm is knowledgeable and experienced in payroll services, which can alleviate potentially harmful financial errors and add time back to the capacity of your company employees. Our Firm can make payroll easy and intuitive for your business, and when you are a client of Warren Averett, your confidentiality and security are never sacrificed for the sake of convenience. We are practiced in streamlining and expediting payroll processes, while simultaneously taking the utmost care of sensitive information. Whether your business has five or 5,000 employees, Warren Averett's broad range of payroll solutions has a platform to fit your needs. Here's how it works:

ONLINE SOLUTIONS

Our premium solutions are cloud-based, providing you and us with online real time access to payroll and employee records. Some of the many features include:

- Nationwide tax filing and compliance (local, state and federal jurisdictions)
- Direct Deposit
- Employee access to online pay stubs and W-2s
- Benefit accruals
- 401(k) and Section 125 plans

- Leading edge data security
- Integrated time and attendance and full HR suite
- General ledger interface and reporting

Outsourcing payroll can SAVE a business up to
235 HOURS
(29 business days) on performing payroll-related functions.

FULL SERVICE

We also offer a fully outsourced payroll service, which means we can act as your payroll clerk, provide the platform if needed, train your staff and provide ongoing support for your payroll clerk. Our solution is flexible to meet your needs so you're free to focus on your business instead of spending valuable time performing administrative tasks. Utilizing Warren Averett as your full-service payroll provider takes payroll management off your plate so you can do more of what matters to you.

CUSTOMIZABLE PLATFORMS

When it comes to payroll platforms, one size doesn't fit all. We will work with you to find the best platform with the right features to serve all your needs. We have multiple platforms to fit companies of virtually any size, with highly customizable features and any additional modules that you select.

PRICING

We offer highly competitive pricing, based on the number of employees and options you choose. Implementation, platform training and ongoing support are all priced upfront, so you will never experience hidden fees.

Because we base our pricing on employees and options, we are able to provide you with a fee proposal. This, in turn, ensures that our pricing is transparent and allows us to easily eliminate the potential of unforeseen costs to you, our client.
