Sue McGlynn has been with Warren Averett since 1994. She is a Member of the Tax Division and has experience providing domestic and international tax consulting and compliance services to private companies. She has consulted with companies on specific tax issues related to the construction, distribution and software industries. In addition, Sue has experience assisting clients in various foreign jurisdictions with a variety of international tax issues including global tax minimizing strategies and international organizational structuring. Her practice focuses on tax planning for business entities and individuals, multi-state taxation and general business consulting.
