

CAREER TRANSITION PROGRAM HIGHLIGHTS

We realize that career transition can be a difficult time and yet also be a time of opportunity.

As experts in career transitions, we've helped thousands of individuals successfully achieve their career goals. We will tailor your program for your specific situation and provide you with all of the resources and personalized coaching that's so vitally important for a successful shift to the next phase of your career. We look forward to helping you achieve success!

NETWORKING

As part of your program, you will be exposed to a broad range of networking opportunities to increase your presence in the marketplace. These opportunities are designed to increase your job leads, build skills and develop your personal and professional network.

HIGH IMPACT RESUME

Your consultant will help you identify your marketplace skills and your personal brand advantage. Within a few days, you will jointly develop a high-impact resume. After a stringent quality review by our team of experts, you'll have a resume that is a powerful personal advertisement that attracts employers' attention.

CLOSING THE DEAL

You'll learn and have access to the tools that you need to get the job offer. Interviewing strategies and rehearsals will build confidence and help you

be successful. Your consultant will share negotiation tips that help you walk away with the best offer.

PERSONAL TOUCH

Your assigned career consultant will be dedicated to working with you, one-on-one to provide coaching throughout your program. Our consultants customize programs to fit your unique needs and interests.

GAIN MOMENTUM™

With our proprietary online career technology, Momentum™, you can access a comprehensive menu of professional tools and resources, with topics from resume building to targeting companies and negotiating offers.

SOCIAL MEDIA STRATEGY

You'll receive advice and assistance in creating a complete social media search strategy, including using the various platforms to network and locate job leads. Learn the "Dos and Don'ts" of using social media in your job search to successfully develop your online brand.
