

Always Designing
for People™

With great partners come great possibilities

Our partnership with ADP®
means great things for you

 Warren
Averett

It's a match made for ambitious organizations like yours

Companies are often frustrated by the gap between expectation and reality when it comes to investing in and implementing HCM technology.

That's why we've chosen to join the ADP® Partner Advantage Program — and to bring the benefits of this exclusive relationship to your business.

The ADP Partner Advantage Program harnesses the ideal blend of expertise, strategic support and technology to facilitate extraordinary results. With our insider partner status, you gain access to exclusive tools, resources and experiences that can help you leapfrog over the competition, work smarter and reach your growth goals faster.

Great tools for you to excel

Advanced Technology

Award-winning end-to-end HCM capabilities:

- Recruitment/Onboarding
- HR & Benefits
- Mobile
- Payroll & Time & Attendance
- Extensive Marketplace Options

Dedicated implementation teams

Implementation teams dedicated to ADP preferred partners are staffed with the best and brightest — tenured ADP veterans who understand our business and know how to deliver the superior service you expect.

Dedicated service teams

Enjoy premier-level support from dedicated service teams that troubleshoots issues quickly and effectively, so your productivity never misses a beat.

Professional Services Client Optimization*

As an ADP preferred partner, we can also offer select eligible clients a complimentary two-day optimization engagement with ADP Professional Services to help maximize your Workforce Now usage:

- Streamlining payroll and core HR administrative processes
- Using tools to improve operations, reduce manual effort and consistently apply policies
- Automating open enrollment to simplify benefits administration
- Accelerating employee engagement

* For existing ADP Workforce Now® clients above 150 employees.

Great resources for us to help you

Executive Relationship Manager

Single point of contact to help maximize our ADP partnership value:

- Single Point of Contact for Partnership Deliverables
- Cross Functional Capabilities
- Strategic Coaching

Education

Curated Workforce Now training programs and industry recognized certification to help us better serve you:

- Human Resources
- Benefits Administration
- Payroll Processing

Partner Portal

Award winning technology that enables us to shape a data based strategic approach for your business:

- Access to ADP Data
- Client Performance Insights
- Unrivaled HCM insights

The ADP Advantage to drive business outcomes

Because they know our business — and our clients — our ADP Partner team helps us deliver tremendous value. That includes the ADP Advantage, a unique framework to strengthen your technology utilization to drive business outcomes. We like to say that it's the last, and best, HCM experience you'll have.

Dedicated ADP account manager 	Migration of 7 full years of historical data 	Customized system configuration 	Utilization scorecard development & review 
On-site practitioner training 	Tailored employee & manager training 	Support from ADP Professional Services 	Customized reporting & analytics dashboards 

Together, we can make great things happen

The ADP® Partner Advantage Program:
A holistic approach to accelerating your organization's success.
